

With its starting point in the Roly Poly Armchair, Stingray was drafted with the three characteristic features of Roly Poly in mind: To be bold, excessive and playful.

*bold*  
*excessive*  
*playful*

*Presenting a the new  
modern furniture classic  
where the act of sitting  
down is a play, the team  
has worked hard to present  
a distinctive and curious  
design with eye-catching  
lines.*
