

# LIVING ON THE MOON

Can you get a job ?  
Is there anything to eat ?  
How long do you sleep ?  
Can one get lost ?  
How do you find your way around ?  
Is it dangerous ?

Industrial design students from Lund University presents the result from a student project in cooperation with Chalmers University of Technology and NASA, Houston, USA.

Welcome to take part in presentations at  
Chalmers Architecture  
Sven Hultins gata 6, Göteborg

A-gården och ateljéerna  
Dec 17, 13.00 - 17.00  
Dec 18, 09.00 - 15.00
